### **BUSINESS HEALTH CHECK FREE**

The **C-Suite Advisors' Business Health Check** is available to the owner/CEO of any organization employing at least five full-time employees.

The **Business Health Check** is carried out at your premises, focusing on those areas that are important to you. There will be ample time to discuss business opportunities, or problems you are experiencing. At the end of our discussion we review with you major issues that have surfaced, with recommendations to help you save money and improve your bottom line.

### **BUSINESS PLANNING** starting at \$850

Success starts with a solid Business Operating Plan. For many owners/CEOs, their plan exists only in their mind. **C-Suite Advisors** have helped scores of business leaders translate their ideas into written, action-specific planning that they use as an ongoing management tool supporting their success.

### **EXECUTIVE COACHING**

**C-Suite Advisors** offer several coaching experiences designed to develop business leaders. Building from existing leadership strengths, executives find solutions within themselves and learn behaviors to refocus and support positive personal and professional patterns.
